WORDPRESS WEBSITE + BLOG *8 weeks | \$5,500 w/SEO \$3,500 w/out*

A totally tailored-to-you brand WordPress website with blog that frames your business vision beautifully.

what you get:

HOSTING + EMAIL SET UP

WordPress installation and hosting setup (custom email incurs additional charges, based on email plan selected)

CONTENT STRATEGY

They say a picture is worth a thousand words, but a good website design is worth far more. A company or organization's website expresses vitality and style in the blink of an eye. We pride ourselves in our ability to conjure up dynamic and smart web design combined with creative copy.

BRANDING

We develop a cohesively branded business that sets you apart in your industry and is designed to last (no quarterly rebrand required), including design for your logo, illustrations and fonts.

CUSTOM WEBSITE DESIGN

Desktop and mobile-friendly website design PLUS blog design for 5-7 WordPress pages to make sure you're looking good and working hard across all devices—and your visitors have a seamless user experience.

WORDPRESS DEVELOPMENT

Custom development and content dropped into your design for 5-7 pages to ensure all of your personalized details come together and your website is ready to flaunt on launch day, glitch-free.

PLUGINS

Installation of the must-have plugins for social sharing; security and backups (super important), search and Google analytics.

TRAINING

We complete our time together with a comprehensive 3-hour tutorial. We will walk you through your WordPress dashboard and show you how to add pages, pictures, content, menu items, and more.

SOCIAL MEDIA SUPPORT

30 days of social media – we will develop your initial social media campaign and manage for 30 days.

w/SEO

Installation and integration of SEO Yoast, Google dashboard, google authorship, and sitemap submission to major search engines. Each page is optimized for search.

exclusive bonuses

We'll create promotional materials for our use and yours (we want you to succeed just as much as we want to show off the beautiful work we've created together!)

Business Card Design to match your brand style (generic sized or custom)

Priority access to additional support and changes in our website design queue.
